### **DETAILED ACTION**

Applicants' amendments submitted January 26, 2006 have been considered and entered.

#### ***No Error in this Reissue Application***

1. The reissue oath/declaration filed with this application is defective because the error which is relied upon to support the reissue application is not an error upon which a reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414. The application, as amended, is identical to the issued patent, there is no error as asserted in the oath/declaration.

#### ***Rejections under 35 U.S.C. § 251***

2. Claims 1-10 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action.

#### ***The Patent has Expired***

US patent 5,705,197 is expired, as the second maintenance fee has not been paid. Therefore, this reissue application is improper as it bases on an expired patent.
